Hello everyone-- Happy New Year!

I apologize for the late agenda AGAIN. I just have it in my mind second week, not first week for some reason.

Here's the proposed agenda for this Wednesday. Please send me any additions by this afternoon and I'll have the final agenda sent out late tonight to be available to post at the school tomorrow:

Proposed Agenda:

Welcome- Jill Hunt

Review & Approval of Last meeting minutes-Mrs. Berglund, 5 min

Sub Committee Updates- Each council member

Other Business

Also, if you could have the minutes from the last meeting sent out for our review and approval at the next meeting that would be fantastic!!

Hope you're New Year is off to a good start,
