

Community Council Meeting
November 2, 2011

Attendance: Dale Porter, Jerry Olson, Jill Hunt, Desiree Mortenson, Jennifer Paystrup, Jason Godfrey, Isabel Lopez

- Elections were discussed and decided for the year:
 - Chair: Jason Godfrey
 - Co-chair: Jill Hunt
 - Secretary: Desiree Mortenson, Isabel Lopez
- CSIP:
 - Mr. Porter passed out the School Wide Plan Summary for approval. There were a few corrections that needed to be addressed:
 - sciences and math in 4th and 5th grade taught equally in both languages
 - Preschool enrollment prioritized by income
 - Members will take school plan home to review with appropriate time and Mr. Porter will email the whole document to all community council members. It was decided to approve the CSIP. Any other concerns will be addressed at the next meeting.

- Next meeting members will come prepared to discuss concerns and areas of need for the council to focus on during the year.
- There was a concern raised about being able to contact someone at school for the afterschool program. After the office closes there is currently no way to contact teachers or students in the program. Mr. Porter said that school will look into providing a separate phone number, possibly a cell phone, where parents can reach a staff member in the afterschool program in case of emergencies or other issues.
- Council members need to watch two videos (if a video is not available we will watch during our next meeting):
 - Earning for Education
 - Touch the Future

These videos are available at the following website:
