

Community Council Agenda for January 17 at 2:30 pm in Science Lab

1. Short update on the status of the boundary change proposal--School Board has a new proposal and will be scheduling parent meetings in the next week or two to explain.
2. Review of Student Progress Data
3. Identify the greatest academic needs
4. Formulate a plan to best meet this need using Trust Land Funds
5. Other ideas on improving the academic performance of students or improving Dixie Sun
